

Quality Creative Innovation

CORDEX

ABOUT US

CORDEX has been operating on the Georgian pharmaceutical market since 2016, working in Tbilisi and in different regions of Georgia. Our main partners are manufacturers from the EU, Spain, Portugal, Cyprus, Italy, UK, USA, Turkey and other countries.

Our portfolio contains more than 50 products
RX OTC; Generics; Food supplements ;Medical devices

We are promoting and selling products and food supplements, as in retail market as in hospital segment participating in state and private hospital tenders. Our staff is more than 70 medical representatives and managers.

Our main and strategic partner is JSC GEPHA holding 40 % share of the Georgian pharmaceutical market. GEPHA owns more than 300 pharmacy chains across Georgia and around 30 hospitals. We also have partnerships with PSP and AVERSI, two big players in the local market.

We are oriented to develop our portfolio and looking forward to new partners and suppliers. We are interested in several therapeutic areas such as Gynecology, Cardiology (combined medicaments), Neurology, Pain relievers (non-steroids) and other medicines.

OUR MISSION

A woman with blonde hair, wearing a light blue top, stands in the foreground, facing a group of people seated at long tables in a meeting room. She is holding papers and appears to be presenting. The room has white walls, several framed pictures, and a large, stylized black tree sculpture with white dots. The floor is light wood. A teal diagonal line runs across the bottom of the image.

Access to efficient treatment

Our primary objective is to guarantee that the populace has unfettered access to secure and efficacious therapy. This is achieved through a comprehensive approach that involves identifying the therapeutic requirements of doctors, conducting extensive research on the most effective treatment practices worldwide, imparting knowledge to healthcare professionals, and procuring distinctive pharmaceutical products for Georgia.

OUR

PHILOSOPHY

CORDEX prides itself on its unparalleled expertise in the market. We believe in fostering partnerships that are built on principles of fairness and mutual benefit.

Our commitment to excellence is reflected in our philosophy of delivering quality in every aspect of our operations. Furthermore, we remain receptive to exploring new business opportunities that may arise, ensuring our continued growth and success.
